Department
of Energy &
Climate Change

DECC has launched a new incentive scheme, the Green Deal Home Improvement Fund (GDHIF)

Up to **£7,600** to
make homes more
energy efficient

From June 2014, householders, landlords and tenants can claim back **up to £7,600** towards energy efficiency improvements such as; **insulation, heating and glazing**. GDHIF includes **2 core incentive offers** and **2 add-on bonus rewards** for a range of **12 energy saving home improvements**, plus solid wall insulation.

GDHIF helps householders to make their homes more energy efficient so they can stay warm and in control of their energy bills
